

## Financial Goals List

Make a list of your short, mid, and long-term financial goals, the date when you hope to achieve them, how much you have saved already, approximately how much you'll need and how you will get it.

Use this list as a benchmark for evaluating your progress.

Remember that it's perfectly normal for your goals to change as your life changes. Adjust as needed.

Goal	Time frame	\$ On hand	\$ Needed	\$ Needed to Reach Goal	How to get it
